1. PRICING

Customer shall pay to NeuStar the fees set forth in this Schedule 1 (the “**Annual Subscription Fee**”). For purposes of the LEAP Services Agreement and this Schedule, a “Transaction” shall mean the processing by NeuStar of a telephone number submitted to the Law Enforcement Analytical Platform (LEAP); i.e. one telephone number submitted to LEAP and processed by NeuStar results in one Transaction.

Customer shall elect an Annual Subscription Fee and associated tier of Transaction Level set forth in the table immediately below. In exchange for payment of the Annual Subscription Fee, Customer shall be entitled to the amount of Transactions selected in the Transaction Level for each twelve-month period of the Term (as defined in Section 2 below).

Silver	0 - 25,000	\$2,000
Gold	0 – 50,000	\$3,200
Platinum	0-200,000	\$5,000

If the amount of Transactions processed exceeds the Transaction Level selected above, then Customer shall pay to NeuStar an incremental charge equal to \$0.50 per Transaction for those Transactions above the Transaction Level.
